CHAIRMAN'S REPORT

Welcome to Hayle Cricket Club and my first Chairman's report for our programme. The programme was started many years ago now, an idea from a committee member which year on year has raised funds for our club.

I would like to thank my predecessor, Matthew Cook. Matt has been Chairman of our club for more than ten years and has steered our path through some very difficult times. He is definitely part of the fixtures and fittings and you'll still find him enjoying a few quiet ones in the bar!

Our 1st team under the captaincy of Tom Sharp will enjoy their second season playing Premier League cricket. Playing at this level is very costly with ground and facility requirements and the question we ask every year, to pay or not to pay!! We have chosen again this year to invest our relatively small budget in up and coming young cricketers from overseas. We believe they enrich our club not only on the field but with the enthusiasm they bring to coaching our young players. This season we welcome Mitch Oliver who is a very talented young Australian batsman, Mitch is 18 and from Perth, his home club is Rockingham-Mandurah. We are also delighted to see the return of Sam Mycock. Sam had a great season with the bat last year. We offer a warm welcome to Tom Cummins who will be moving to the area. Tom will be returning to the game having previously played minor counties for Herefordshire.

Thanks to the relentless hard work of Tim Marrion, I am proud to say that Hayle CC has a youth section which is the envy of many clubs. Tim and his ever growing band of helpers are an inspiration to us all.

Our 2nd team gained promotion to Division 2 West last year, after years of back to back promotions this will be a real test for Captain Ethan Bennet and his team, with newly appointed Vice Captain, Liam Smitheram we are sure they will rise to the challenge and wish them the best for the season.

The 3rd team will again be captained by Darryl Curnow, assisted by Andrew Gouldthorp. We are grateful to Leedstown CC for the use of their ground and look forward to seeing our young players progress to senior cricket.

The ground is looking fantastic and I really cannot begin to tell you how many hours have been spent by our groundsman, James Franklin, preparing for the season. We have tried to concentrate on improving our wicket and very much hope it will provide some excellent playing conditions this season.

We are also fortunate to have one of the most tech savvy young scorers in the league. Logan Curnow makes sure we are up to date with the latest technology, with the addition of Frogbox our games are live streamed for those weeks when you can't make it to the TOWNS.

I have to say a massive thank you to everyone who supports our club. Those who help things run smoothly on match days and the less obvious contributions behind the scenes. We could not manage without you.

We hope you enjoy our hospitality at Hayle this season.

CLUB CAPTAIN'S MESSAGE

Welcome to Hayle CC for another much anticipated season.

Last season was again a season the club as a whole can be proud of. The thirds were reborn and made an excellent fist of things in their first season back. The seconds were promoted for the second consecutive season and won the Andrew Cup.

For the first team, the challenge was always going to be to consolidate our position in the top league after being promoted the year before. To achieve that with relative comfort was no mean feat. Sadly there is not much to play for at the top of the league at the moment, but, as Truro's demise proved, no one is safe from the drop. The same challenge awaits this year.

We're really pleased to welcome back Sam Mycock from New Zealand. Sam had an excellent first year with us, scoring over 600 runs at the top of the order, and I predict even greater returns this time around. We're also excited to have Mitch Oliver from Western Australia. Mitch is an 18 year old top order batsman and leg spinner who comes highly recommended and, as well as runs and wickets, brings some much needed youthful exuberance to our fielding.

Another major signing for us this winter was that of Tom Cummins. Tom has previously played National Counties cricket for Hertfordshire and brings proven quality to our batting line up.

Personally, I'm looking forward to seeing the continued development of our 'homegrown' talent. Matt Jacka, Matt Lello, James Franklin and Max Jenkin all made meaningful contributions at times last year and they should bring real confidence with them into the season.

Whatever happens, I'm sure we're in for another entertaining summer on the towans!

Tom Sharp

1st Team Captain

Trusted insurance, right on your doorstep

We'll protect what's important to you.

We are your local insurance experts who will provide hands-on advice, assistance and the answers you need, whenever you call.

So, whether it's time to renew your farm, home, let property, vehicle or commercial insurance, we will work with you to provide the protection you need.

Together, we can create tailored insurance that's right for you.

PRESIDENT'S ADDRESS

As President of Hayle Cricket Club I would like to offer a warm welcome to everyone for the 2023 season.

This is my opportunity to reflect on last season and share Hayle Cricket Club's hopes for the season to come.

Last year we enjoyed a reasonable summer with good numbers visiting the Towans to support our club and watch cricket at all levels. Personally I was delighted to see so many young players, boys and girls, training and playing competitive cricket at our club. I believe our youth teams did very well last season and we are looking forward to their continued success. If the strength of a club's youth structure is an indication of their future success then Hayle Cricket Club's future is looking very bright.

For the coming season the first thing we hope for is fine weather! Once the weather is set fine we look forward to seeing our teams play some fine cricket. To address a more serious subject, the Cornwall Cricket League has made it very clear that they will not tolerate behaviour which is disrespectful to officials or players this season. There will be penalties for dissent and the responsibility will sit clearly with team captains and club officials. We will all be working hard to make sure that the game is played in the best spirit at Hayle CC.

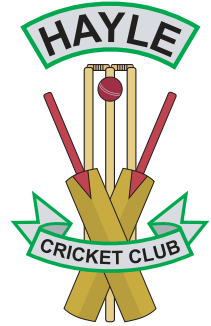

Hayle Cricket Club has a long history of hosting overseas players and in recent years we have enjoyed the company of some excellent your cricketers. We are delighted to see Sam Mycock return this season we also look forward to welcoming Mitchell Oliver a promising your Australian cricketer. The southern hemisphere will be well represented at Hayle.

Our ground is looking fantastic and the improvements we have made over the last few years certainly make our The Towans the perfect place to escape the holiday crowds and have a cold beer or glass of wine.

I have been involved with Hayle CC for more years than I care to remember and the club, like so many, is and always has been run by volunteers. We have the some of the best! Without them there would be no club and no cricket in Hayle, so I would like to say a massive thank you to all of those people who give the time and money that keeps our club running.

Finally, thank you to everyone who supports our teams, visits our club and enjoys the facilities we are all working so hard to maintain. For me there is nothing better than a sunny Saturday afternoon at The Towans catching up with old friends, making new ones and sharing our love for game.

See us on Facebook

Established in 2007, we have since renovated contemporary apartments, modernised and enhanced Farm Houses, converted Barns into enviable homes, as well as creating brand new cutting edge homes from parcels of land.

Our reputation has made us one of West Cornwall's foremost developers of luxury residential properties.

We use the best local tradesmen, and quality sustainable building materials.

Although primarily focusing on luxury residential properties, we have also completed a selection of commercial development projects.

HAYLE CC - HISTORY

In the mid 19th century Hayle was a thriving community and probably the main trading town of Cornwall, raising industrial standards especially with the likes of Harvey, Trevithick and Brunnel, Hayle was associated with the invention of the steam engine, Railways and the production of copper. Hayle was the main port of Cornwall and one of the centres of the industrial revolution in the country.

Hayle Ladies Cricket team

of England before they boarded ship to play Australia in Australia, at Clowance watched by several thousand. The match report states that some of the England players practiced with Hayle players on The Towans, but the location is unknown. The 22 batted first and scored 29 all out (one of the main

Back Row: Mr Chapman, Messrs. ...
Front Row: ...

Cricket was first played in Hayle in the mid 1840s, when some of the gentry challenged Redruth to a match and won easily. On the 26th September 1856 a match was organised by Captain Chris Ellis and Fred Lillywhite between a Hayle eleven plus eleven invited players of Cornwall against The United Eleven

bowlers for England was Wisden), England's eleven scored 65 all out and England in their second innings scored 37. The match was a great success but a financial disaster as approximately £120 was lost. You will probably agree little changes. Hayle survived and continued with what we now know as Hayle Cricket Club with club colours being primarily white black and green.

Over the years the club used grounds at Trevassack, The Rugby Club, on the Towans near Beachside and where we are now. The present ground, due to astute trading and gifts is now owned freehold by the club and the facilities including the clubhouse are debt free. I'm sure our ancestors will be proud of the progress set by their foundations.

On the field of play we have had many Cornwall senior and age group representatives plus others who have represented their employment including

Back Row: Douglas Oliver, Mr Gibbs, Barry Jeffrey, Wilson Williams, Brian Oliver, George Chapman, Norman Jack, Vaughn Hosking
 Middle Row: Wesley Doolittle, Willie Cook, Jack Davis, Robbie Alley, Eust Hocking
 Front Row: Edward Jones, Oswald Barry

Back Row: Eider Bristow, Billy Cook, Gordon Jeffery, Gordon Watts, Ian Rube, John Carnes, Brian Kent, Eust Hocking, Mr Chapman
 Front Row: Brian Jenkin, Clive Rube, Alan Wrenko, Kevin Swadlow, Roger Chapman
 Left Hand unopposed: Freddy Nicholls

The Army, Navy, Royal Air Force, Police, Fire Brigade, Post Office, however we still await our first ECB international. The club is a family club with close associations to the community, especially Hayle Rugby Club, we have won many competitions and cups but are probably best remembered for the domination of the short game in Cornwall in the 1970's.

Recently we have also been blessed with excellent cricketers from abroad including The West Indies, New Zealand, South Africa and Australia.

The club have survived many scrapes but always come back fighting, I am sure that with strong Hayle family connections including Lello, Jenkin, Mungles over decades we will be there for years to come and prosper
